

## 2017 February Newsletter

---

### Triform welcomes baby Amedeo Aman to the Kalsi/Mancini family!

Aroon and Sofia welcomed their third child, a healthy son on February 22nd at 9:20pm. Sofia gave birth during the February vacation after a relaxed labor at home in Anatos with the help of a very experienced midwife, Jenna Houston and doula, Mary Elizabeth Kress.

Amedeo's maternal grandparents, siblings and Triform colleagues were standing eagerly by to help out after the birth.

Aroon shared that he is a very peaceful observant baby whose Hindi second name means "Peace".

The whole Anatos household is delighting in the presence of a new born and every one is doing their bit to help.
